

# BLANK CARDS

High  
Grade PVC

Scratch  
Proof

Low Cost

0.76mm  
Thickness

ID Tech PVC Blank Cards are designed to deliver outstanding print quality. Their smooth, even surface allows for seamless movement under the print head, reducing the risk of damage. This results in vibrant colors, sharp barcodes, and consistently high-quality output.

## KEY FEATURES

- Our cards are designed to ensure optimal printing quality and readability for specific elements like texts and barcodes.
- The PVC material used for our cards offers flexibility, durability, and solidity.
- Our cards have been thoroughly tested and validated by our R&D and Quality departments.
- These tests confirm the high printing quality and reliability of our consumables.
