

LOYALTY CARDS

The ID Tech Loyalty (Barcode) cards are of exceptional quality, delivering outstanding printing results with an elegant appearance and design. We guarantee the utmost precision in printing through the utilization of four-color (CMYK) printing, also known as full-color printing. To achieve these remarkable outcomes, our cards are printed using state-of-the-art Heidelberg Press technology. Whether equipped with HiCo or LoCo magnetic stripes, our loyalty cards offer the perfect combination of durability and visual appeal, making them a valuable asset for any loyalty program.
