

# IDT VISUAL TAG

## RFID Animal Identification Tags

IDT visual tags are ideal for identification of livestock, health record keeping, insurance dairies and slaughter houses. Tags are laser marked and are guaranteed to last the life of the animal. The ether grade material resists UV aggressions. Tag also keeps a high level of elasticity during the entire animals life cycle. Available in 4 popular sizes for different types of animal assuring optimal application and retention. Tags are easy to apply, robust and tamper resistant. For best result it is recommended to use ID TECH universal applicator.
