

IDT RFID JEWELLERY SOFT LABEL

IDT JSL 01

UHF

Low Cost

Anti Theft

ID Tech provides a range of solutions for RFID technology, including the Jewellery Soft Label. This label is specifically designed for the jewellery industry and provides a discreet and effective way to label and track items. Its compact size and flexible design make it ideal for application to jewellery items, such as rings, necklaces, and bracelets. The label is designed to be unobtrusive and not interfere with the appearance or wearing of the jewellery item, while still allowing for accurate and efficient tracking and inventory management.

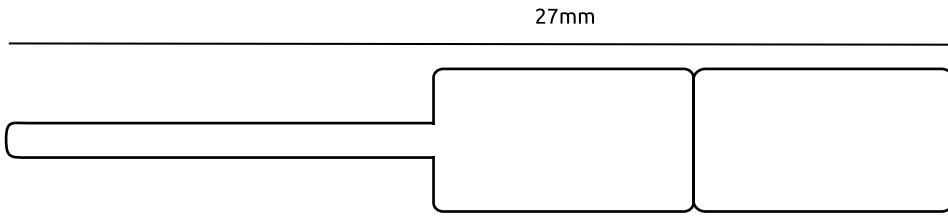

PHYSICAL PARAMETERS
